

MASTERVAC®

CARDED PACKAGING

MASTERVAC® is Georgia-Pacific's solution for all of your skin packaging needs. The sheet is produced at our Brewton, Alabama mill and provides an excellent uncoated print surface for multicolor printing applications along with excellent sheet porosity for quicker vacuum sealing without sheet perforation.

MASTERVAC®

Grade	Caliper (mil)	Caliper (mm)	Nominal Weight (#/3msf)	Nominal Weight (gsm)	Taber Stiffness (gf-cm)		ZDT (psi) Target
